Registration Instructions for a Returning Student

On Friday February 1, 2019, all pending agreements for returning students will be electronically re-enrolled and finalized. Parents with invalid tuition payment agreements, invalid financial bank account information or who owe returned payment fees to FACTS will receive from FACTS Management correspondence regarding their account and what needs to be done first to resolve this matter in order to finalize your tuition payment agreement. The Office of Student Accounts will be sending you a confirmation correspondence via email regarding your FACTS tuition payment plan for the 2019-2020 school year.

If there are any corrections to be made such as address, email address, phone number or payment schedule (example: monthly to quarterly etc.), you must contact Susan Saucier @ 508-929-4323 at the Office of Student Accounts.

Within ten (10) calendar days from the date of your confirmation letter (via email correspondence from FACTS, if you have elected this option with them), there will be a deduction of \$195.00 for the non-refundable/registration/processing fee and, if applicable, the \$3,500.00 International Student Processing Fee from the account you provided to FACTS Management. Neither of these non-refundable/nontransferable fees is included in the tuition amount that is set by the school. If the \$195.00 non-refundable/ registration/processing fee or the \$3,500.00 International Student Processing Fee fails, your tuition payment plan agreement with FACTS Management will be automatically terminated, and the student will not be registered. If your agreement is terminated, you will be notified by FACTS Management and the non-refundable registration/processing fee will now be \$275.00 to complete and submit a new FACTS tuition payment agreement to register the student.
